Lab picnic was a blast — Plum Brook next!

Rope walking...

Set 'em up, Joe...

On a weather perfect day just made for picnicking, more than a 1,000 employees gathered on the picnic grounds and did just that!

There were the putt-putt games; the barrels game; the rope ladder climb; and many, many more activities to entice the throng to vie for the many prizes.

These activities took place late last month and was sponsored by the LeSAC Committee. This month, a similar type of activity is planned — only it will be held at the Plum Brook Station near Sandusky, Sunday, August 17 from noon 'till 10 p.m. The tickets, which can be purchased from LeSAC Boosters at Cleveland or Alan Duncan, PBX 204 or Robert J. (Bucky) Walter, PBX 240 at Plum Brook, are $4 per single person; $4 per couple; or $4 per family.

Bring your own picnic basket. If you don't feel quite up to making one there will be hot dogs, corn on the cob, and chicken (fried or barbecued) at nominal cost.

For your dancing pleasure, three musical groups will entertain at different times beginning at 1 p.m. For other types of entertainment there will be fishing (bring your own equipment), pony rides, a bike tour antique car rides, and many, many, others.

Now how do you get there from here? Take Ohio Turnpike west to Exit 7. Drive north on Route 250 for about five miles to Bogart Road. Turn left on Bogart Road to Plum Brook. Have a nice day!

A good time was had by all at PB's picnic

More than 2500 persons, mostly Lewis employees and their families, journeyed to Plum Brook near Sandusky on Sunday, August 17, for a day of fun and frolic in what perhaps may be the last hurrah for activities of that type at the Station.

However, the prospect of such eventuality did not dampen the enthusiam to participate in the many games and activities which lasted from 1 p.m. to 10 p.m.

The number of persons attending represented the largest crowd ever to attend a Plum Brook picnic, up some 200 from the previous high. The highly successful affair was sponsored by Robert 'Bucky' Walter and Alan Duncan of Plum Brook in cooperation with former LeSAC members at Cleveland.
